

HIGH PERFORMANCE TRANSITORY CORROSION PROTECTION

XCP INDUSTRIAL RB32

PRODUCT DESCRIPTION:

XCP INDUSTRIAL RB32 is a high performance, de-aromatised solvent deposited corrosion preventative with excellent water displacement properties, which after drying, leaves a soft, waxy protective film, providing exceptional long term corrosion protection for ferrous and non-ferrous metals. Non-flammable and non-VOC.

FEATURES:

- Exceptional long term protection levels.
- Excellent dewatering properties.
- Non-Flammable and VOC FREE
- No heavy metal content (e.g. Barium, etc.)

APPLICATION & REMOVAL:

XCP RB32 is designed to provide high quality removable thin film corrosion protection. Exceptional long term corrosion and rust protection for industrial environments, e.g. immediate storage and/or transportation. It can be applied by brushing, spraying, wiping and dipping, with the latter being the most effective way to displace moisture and deliver an optimum uniform protective film.

TYPICAL CHARACTERISTICS:

Product Name	XCP RB32
Protection Level	Long term (*)
Water Displacing	Yes
Flashpoint	> 100° C
Film Thickness	≤ 15 µ
Film Type	Soft, waxy film
Drying Time	24 Hours (**)
Odour	Characteristic
Liquid Appearance	Brown solution
Density Approx	0.90 g/cm ³
Coverage	22+ m ² /L

(*) (**) Protection levels, drying times and consequent product selection depend on environmental conditions. Please discuss your requirements to ensure the most appropriate product selection.

HANDLING & STORAGE:

Compatibility testing is recommended prior to use for all non-metal surfaces. Do not store in strong direct sunlight. Container should be kept closed. All users should consult the application notes and Material Safety Data Sheet (MSDS) before using this product which is available from your XCP supplier or at www.xcp-protection.com.

BESPOKE PRODUCT DEVELOPMENT:

If the products in our existing ranges do not meet your requirements, we can offer a bespoke product development service that will ensure the product matches exactly what you are looking for.
